BOUNDARIES

Starting from the south-east corner of Survey No. 22 of Hullatti, the line runs east and north-east along the south side of Survey No. 21 to its eastern corner; thence north-east through Survey Nos. 20 of Hullatti and 29 of Kitandur for a distance of 24 chains and meets the south-west corner of Survey No. 32; then runs south-east along the south side of Survey No. 32 to its south-east corner; thence north-east through Survey No. 29 of Kitandur for a

distance of 18 chains and meets the eastern corner of Survey No. 30; then turns north-west through Survey No. 29 for a distance of 8 chains and meets the south-east corner of Survey No. 49; thence south-east through Survey No. 29 for a distance of 20 chains and meets the south-east corner of Survey No. 85; then runs south-west along the halla in Survey No. 29 and meets the north-west corner of Survey No. 104 tank; thence along the west side of Survey No. 104 to its south-west corner; thence along the south side of the above tank to its south-east corner; then runs along the east side of the above tank to its north-east corner; thence north-east through Survey No. 29 for a distance of 19 chains and meets the southern corner of Survey No. 86; then runs south-east through Survey No. 5 of Akalapur village for a distance of 5 chains and meets the north-west corner of Survey No. 27; thence along the north sides of Survey Nos. 25, 24 and 26 and west side of Survey No. 15 and meets the north-west corner of Survey No. 12; thence along the west side of the same survey number to its south-west corner; thence south-west through Survey No. 5 for a distance of 9 chains and meets the north-west corner of Katte in Survey No. 5; thence along the west and south sides of the above Katte to its south-east corner; then turns north-east through Survey No. 5 for a distance of 31 chains and meets the south-west corner of Survey No. 29; thence south-east through Survey No. 5 of Akalapur and 171 of Trimbakpur for a distance of 52 chains and meets the south-west corner of Survey No. 170; thence along the south side of the same survey number to its south-east corner; then runs north-east through Survey No. 165 for a distance of 57 chains and meets the south-east corner of Survey No. 156 tank; thence south-east through Survey No. 165 for a distance of 18 chains and meets the south-east corner of Survey No. 152 of Trimbakpur village.

East.—Then, the line runs south-west through Survey No. 165 of Trimbakpur village for a distance of 15 chains and meets the northern corner of Survey No. 143; then runs south-west for a distance of 41 chains through Survey No. 165 and meets the north-west corner of Survey No. 188; then runs south-east through Survey Nos. 172 and 185 for a distance of 16 chains and meets the south-west corner of Survey No. 186; thence slightly north-west through Survey No. 135 for a distance of 39 chains and meets the north-east corner of Survey No. 180; then along the north side of Survey No. 180 tank to its north-west corner; thence south-east through Survey No. 179 for a distance of 18 chains and meets the north-west corner of Survey No. 186; then runs south-west through Survey No. 179 for a distance of 22 chains and meets the east side of Survey No. 178; thence along the east sides of Survey Nos. 178, 177, 175 and 174 tank and meets the northern-most corner of the said tank; thence along the north side of the tank Survey No. 174 to its western corner; then runs south through Survey Nos. 178 and 80 for a distance of 26 chains and meets the north-east corner of Survey No. 84; thence north-west through Survey No. 30 for a distance of 22 chains and meets the south-east corner of Survey No. 32; then turns north-west through Survey Nos. 50 and 178 for a distance of 16 chains and meets the north-east corner of Katte in Survey No. 173; then along the north and west sides of the said Katte and meets the north-west corner of Survey No. 31; then runs along the west sides of Survey Nos. 31, 32 and 83 and meets the south-west corner of the last named survey number; thence along the south side of the same survey number for a distance of 4 chains and meets the halla in Survey No. 85; then runs along the said halla and meets the north-west corner of Survey No. 46; thence south-west through Survey No. 85 for a distance of 9 chains and meets a point 1/4 chain west from the northern corner of Survey No. 48; then south-east through Survey No. 85 for a distance of 6 chains and meets the south-west corner of Survey No. 48; then slightly north-east through Survey No. 85 for a distance of 19 chains and meets the halla in Survey No. 85; then runs south-east along the said halla and meets the north-west corner of Survey No. 75; thence along the west side of the same survey number to its south-west corner.

South.—Then, the line runs along the west side of Survey No. 77 of Trimbakpur and meets the northern corner of Survey No. 80; thence along the north side of the same survey number to its north-west corner; then runs along the north side of Survey No. 78 to its north-west corner and meets the Virpapur halla; thence along the said halla and meets the southern corner of Survey No. 184.

West.—Then, the line runs east along the east side of Survey No. 134 and meets its eastern corner; thence north-west through Survey No. 135 for a distance of 29 chains and meets the southern corner of Survey No. 110; thence north-east through Survey No. 185 for a distance of 20 chains and meets the north-east corner of Survey No. 118 and Katte; thence along the east and north sides of the same Katte to its north-west corner; then runs south-west through Survey No. 185 for a distance of 28 chains and meets the north-east corner of Survey No. 98; thence north-east through Survey No. 14 of Halusale village for a distance of 37 chains and meets the north-east corner of Katte in Survey No. 15 of Halusale; then runs along the north side of the said Katte to its north-west corner; thence north-west through Survey No. 14 for a distance of 12 chains and meets the eastern corner of Survey No. 127 of Kittandur; then runs north-east through Survey No. 105 of Kittandur for a distance of 68 chains and meets the south-east corner of Survey No. 106; thence along the east side of the same survey number to its northern corner; then runs west through Survey No.

105 for a distance of 18 chains and meets the north-west corner of Katte in Survey No. 107; thence along the west side of the said Katte and meets the northern corner of Survey No. 108; then runs along the north and west sides of Survey Nos. 108, 110, and 111 and meets the common boundary of Survey Nos. 111 and 116; thence south-west through Survey No. 124 for a distance of 20 chains and meets the northern corner of Survey No. 128; thence along the north and west sides of the same survey number to its western corner; thence along the north side of Survey No. 125 to its northern-most corner; then runs north-east along the east side of Survey No. 120 to its north-east corner; thence along the north side of the same survey number to its north-west corner; then runs along the east sides of Survey Nos. 28, 24 and 25 and meets the south-east corner of Survey No. 27; thence north-east through Survey No. 16 for a distance of 19 chains and meets the eastern corner of Survey No. 27; then runs along the east side of the same survey number to its northern-most corner; then runs south-west through Survey No. 16 for a distance of 15 chains and meets the north-west corner of Survey No. 27; thence north-west through Survey No. 16 of Kittandur and 20 of Hullatti for a distance of 21 chains and meets the starting point.

Remarks.—Rights and Privileges enjoyed by the villagers within the Block.—

- (a) **Right of way.**—(1) Foot-paths from Hullatti to Kittandur;
 (2) Do Aklapur to Kittandur;
 (3) Do Trimbakpur to Kittandur;
 (4) Do Halusale to Aklapur; and
 (5) Branching from No. 4 foot-path to Trimbakpur and paths from hamlet to hamlet are open to men and cattle all the year round.

- (b) **Right of grazing.**—The raiyats of the undermentioned villages are entitled to graze their cattle free in Gomal survey numbers included in the Block and on payment of Hulbanni in the other Kharab lands.—

	S. No.
(1) Hullatti Gomal	20
(2) Kittandur	124
(3) Halusale	14

- (c) **Right to forest produce.**—All the Malnad Raiyats' privileges to forest produce may be exercised by the raiyats of all the effected villages in accordance with G. O. No. 12673-82—Ft. 185-24-7, dated 11th April 1929.

- (d) The raiyats of Hullatti, Kittandur, Aklapur, Trimbakpur, Halusale and Virpapur villages may extract green and dry leaf for manure free from the Minor Forest adjoining their cultivation.

- (e) Since unoccupied and occupied kans are clubbed and not defined either on the ground or on the maps, kan-holders may exercise all privileges attached to occupied kans in the portions included in the block, if under occupancy, till they are demarcated.

No. G. 849—Ft. 1-32-55, dated 19th July 1933.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 35 of the Mysore Forest Regulation (XI of 1900), that the land, the limits of which are described in the schedule annexed hereto, shall be constituted a Minor Forest under the name of Agasadi Minor Forest in the Thirthahalli Taluk for the purposes of the rules for the management of Minor Forests issued with Government Notification No. G. 12673-82—Ft. 185-24-7, dated the 11th April 1929.

BOUNDARIES.

North.—Starting from the north-east corner of Survey No. 1 of Harlimatha, the line runs north-east through Survey No. 115 for a distance of 20 chains and meets the common bandhs of Survey Nos. 112 and 114; thence south-east through Survey No. 115 for a distance of 30 chains and meets the cart-track leading to Balagatta; thence south-east along the said cart-track for a distance of 12 chains and meets the gadi bandh of Harlimatha and Balagatta Villages; thence south-east for 10 chains along the south side of Survey No. 48 of Balagatta Village and then turns south-east through Survey No. 33 for a distance of 5 chains and meets the north-west corner of Survey No. 28; thence west for 19 chains through Survey No. 33 and meets the northernmost corner of Survey No. 30; then turns south-west for 5 chains and meets the north-west corner of Survey No. 31; thence south-west through Survey No. 33 for a distance of 13 chains and meets the north-west corner of Survey No. 32; then along the west and south sides of Survey No. 32 tank to its south-east corner; thence north-east through Survey No. 33 for a distance of 25 chains and meets the south-east corner of Survey No. 29; then runs east through Survey No. 33 for 5 chains and meets the southernmost corner of Survey No. 28; thence south-west through Survey No. 33 for a distance of 15 chains and meets the south-west corner of Survey No. 26; thence south-east for 8 chains through Survey No. 33 and meets the southernmost corner of Survey No. 26 and then turns north-east through Survey No. 33 for a distance of 14 chains and meets the south-east most corner of Survey No. 25; thence along the south side of the same survey number and passes through Survey No. 17 for a distance of 18 chains and meets the common bandhs of Survey Nos. 23 and 19 of Balagatta Village.

East.—Then the line runs south-west through Survey No. 17 for a distance of 17 chains and meets the north-west corner of Survey No. 13; thence along the west side of the same survey number to its south-west corner; then runs south-east through Survey Nos. 17 and 3 for a distance of 19 chains and meets the south-west corner of Survey No. 16; thence south-east for 8 chains and meets the common bandhs of Survey Nos. 13 and 12; then runs south-east through Survey No. 3 for a distance of 19 chains and meets the Gadi bandhs of Balagatta and Devangi Villages; thence south-west and south-east along the boundary between Balagatta and Devangi Villages and meets the tri-junction bandhs of Andageri, Devangi and Balagatta Villages; thence south-east along the boundary between Devangi and Andageri Villages and meets the tri-junction bandhs of Vatigar, Devangi and Andageri Villages; thence south-east for 82 chains along the boundary between Vatigar and Andageri Villages and meets a point 1 chain west from the northernmost corner of Survey No. 55 of Andageri.

South.—Then the line runs north-west through Survey No. 57 for a distance of 14 chains and meets the northernmost corner of Survey No. 54; thence south-west through Survey No. 57 for 8 chains and meets the north-west corner of Survey No. 54; then south-west for 10 chains and meets a point in Survey No. 57 at a

distance of 4 chains south-east from the north-east corner of Survey No. 58; thence north-west for 4 chains and meets the north-east corner of Survey No. 58; thence along its north side to its north-west corner; then turns north-west through Survey No. 58 for a distance of 24 chains and meets the north-east corner of Survey No. 52; thence along the east side of Survey No. 51 to its easternmost corner; then runs north-east through Survey No. 53 for a distance of 17 chains and meets the easternmost corner of Survey No. 49; thence north-west for 14 chains through Survey No. 53 and meets the eastern corner of Survey No. 49; thence north-west for 10 chains and meets the north-east corner of Survey No. 49; thence along its north side to its north-west corner; then turns south-east and passes through Survey No. 50 for a distance of 27 chains and meets the north-west corner of Survey No. 51; thence south-west for 22 chains through Survey No. 50 and meets the western corner of Survey No. 52; thence along the west side of the same survey number to its south-west corner; then turns north-west along the north side of Survey No. 61 to its north-west corner; thence south-west through Survey No. 68 for a distance of 12 chains and meets the south-east corner of Survey No. 79 then runs north-west along the east sides of Survey Nos. 79 and 78 and meets the northernmost corner of the last named survey number; then runs north-west through Survey No. 68 for 12 chains and meets the northernmost corner of Survey No. 75; thence north-west for 16 chains and meets the south-east corner of Survey No. 69 of Andageri Village.

West.—Then the line runs north-east through survey No. 68 for a distance of 6 chains and meets the eastern corner of Survey No. 69; thence along the east side of the same survey number and meets the south-east corner of Survey No. 1; thence along east side of Survey No. 1 and meets the south-east corner of Survey No. 9; then turns north-east through Survey No. 24 for a distance of 14 chains and meets the southernmost corner of Survey No. 14; thence south-east for 20 chains through Survey No. 24 and meets the south-eastern corner of Survey No. 22; then turns north-east through Survey No. 24 for a distance of 14 chains and meets the south-east corner of Survey No. 28; thence along the east side of the same survey number to its north-east corner; then turns north-west through Survey No. 24 for a distance of 18 chains and meets the north-east corner of Survey No. 16; then runs north-east for 12 chains through Survey No. 24 and meets the north-east corner of Survey No. 18; thence south-west through Survey No. 24 for 10 chains and meets the north-west corner of Survey No. 17; thence south-west for 17 chains and meets the south-west corner of Survey No. 12; then runs north-west through Survey No. 24 for a distance of 10 chains and meets the easternmost corner of Survey No. 25; thence north-west for 10 chains along the east side of Survey No. 25 to its northern corner; then turns north-east through Survey No. 47 for a distance of 28 chains and meets the south-east corner of Survey No. 42 and joins the halla in Survey No. 47; thence along the halla and meets the south-west corner of Survey No. 48 tank; thence along the south-east and north sides, of the same tank to its north-west corner; thence along the east side of Survey No. 46 to its north-east corner; then turns south-west along the north sides of Survey Nos. 46, 45 and 43 and meets the south-east corner of Survey No. 39; thence along the east side of Survey Nos. 39 and 38 and meets the common boundary of Survey Nos. 37 and 38; thence along the south-east and north sides of Survey No. 37 and meets the north-west corner of Katte in the same survey number; then runs south-east along the Katte and meets the north-west corner of Survey No. 37 and halla; thence along the said halla and meets the north-west corner of Survey No. 34; then turns north-west for 6 chains along the north side of Survey No. 119 of Harogolagi village and then through Survey No. 122 for a distance of 17 chains and meets the northern corner of Survey No. 118 tank; thence along the west and south sides of the said tank and meets the western corner of Survey No. 119; thence along the west side of the same survey number and meets the north-west corner of Survey No. 121; thence along the west and south sides of the same Survey number to its south-east corner; then runs along the west side of Survey No. 120 to its southern corner; thence south-east along the west side of Survey No. 83 to its south-west corner; then south-west along the west side of Survey No. 28 of Andageri village and meets the north-west corner of Survey No. 5; thence north-west through Survey Nos. 122 and 123 for a distance of 9 chains and meets the north-east corner.

of Survey No. 64; thence along the north and west sides of the same survey number to its western corner; thence south-west and north-west along the north side of Survey Nos. 65 and 50 and meets the north-east corner of Survey No. 46; then turns north-east through Survey No. 128 for a distance of 18 chains and meets the southern corner of Survey No. 1 tank; thence along the east and north sides of the said tank to its northern corner; then turns north-west through Survey No. 128 for 4 chains and meets the northern corner of Survey No. 3; thence in the same direction through Survey No. 128 for 21 chains and meets the north-east corner of Survey No. 18; then turns north-west along the east side of Survey No. 101 and meets the southern corner of Survey No. 102; thence north-east through Survey No. 117 for a distance of 18 chains and meets the southern corner of Survey No. 107; then turns north-east for 7 chains through Survey No. 117 and meets the southern corner of Survey No. 108; thence for 15 chains through the southern boundary of the said survey number and then turns north-east through Survey No. 117 for 9 chains and meets the eastern corner of Survey No. 108; thence along the east side of the same survey number to its north-east corner; then turns south-west for 15 chains through Survey No. 117 and meets the south-east corner of Survey No. 109; thence north-west through Survey No. 117 for 17 chains and meets the north-east corner of Survey No. 110; then runs along the north side of Survey No. 110 to its north-west corner; thence south-west through Survey No. 117 for 13 chains and meets the north-west corner of Survey No. 109; then turns south-west through Survey No. 117 for 7 chains and meets the north-east corner of Survey No. 111; thence north-west through Survey No. 117 for 20 chains and meets the northern corner of Survey No. 113; then runs north-east for 15 chains through Survey No. 117 of Harogolagi and 32 of Harlimatha villages and meets the south-west corner of Survey No. 31; thence along the south and east sides of Survey Nos. 31 and 30 and meets the north-east corner of the last named survey number; then turns south-east through Survey No. 32 for a distance of 9 chains and meets the western corner of Survey No. 25; thence along the west and south sides of the same survey number to its south-east corner; then turns north-west through Survey No. 32 for a distance of 8 chains and meets the eastern boundary of Survey No. 25; then through Survey No. 32 for 4 chains and meets the eastern corner of Survey No. 25; thence north-west through Survey No. 32 for 15 chains and meets the northern corner of Survey No. 25; then turns north-east for 6 chains through Survey No. 32 and meets the south-east corner of Survey No. 116; thence north-east through Survey No. 115 for a distance of 16 chains and meets the south-east corner of Survey No. 1 of Harlimatha; then runs north-west along the east side of Survey No. 1 and meets the starting point.

REMARKS.

Rights and privileges enjoyed by the villagers within the Block :—

- (a) *Right of way.*—(1) Cart-tracks from Harlimatha to Balaghatta;
(2) from Harlimatha to Harogolagi are open to men, cattle and carts all the year round;
(3) Foot-paths from Harogolagi to cart-track No. 2; and
(4) Foot-path from Andageri to Vatigar and paths from hamlet to hamlet, are open to men and cattle all the year round.
- (b) *Right of Grazing.*—The raiyats of under-mentioned village are entitled to graze their cattle free in Gomal survey numbers included in the Block and on payment of Hulbanni in other Kharab lands.—Andageri Gomal Survey Nos. 24 and 53.
- (c) *Right to forest produce.*—All the Malnad Raiyats' privileges to Forest produce may be exercised by the raiyats of all the affected villages in accordance with Government Order No. G. 12673-82—Pt. 185-24-7, dated 11th April 1929.
- (d) The raiyats of Harlimatha, Balaghatta, Harogolagi and Andageri villages may extract green and dry leaf for manure free from the Minor Forest adjoining the cultivation.
- (e) Since un-occupied and occupied Kans are clubbed and not defined either on the ground or on the maps, Kan-holders may exercise all privileges attached to occupied Kans in the portions included in the Block if under occupancy till they are demarcated.

No. G. 363—Pt. 1-32-51, dated 20th July 1933.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 35 of the Mysore Forest Regulation (XI of 1900), that the land, the limits of which are described in the Schedule annexed hereto, shall be constituted a Minor Forest under the name of Dabbangaddi Minor Forest in the Tirthahalli Taluk for the purposes of the rules for the management of Minor Forests issued with Government Notification No. G. 12675-82—Pt. 195-24-7, dated the 11th April 1929.

BOUNDARIES.

North.—Starting from the north-east corner of Survey No. 22 of Halamahishi village, the line runs south-east through Survey No. 26 for a distance of 16 chains and meets the tri-junction bandhs of Halamahishi, Kargar, and Mahashi villages; thence north-east through Survey No. 36 of Mahishi for a distance of 12 chains and meets the south-west corner of Survey No. 30; then runs along the south side of the same survey number to its south-east corner; thence south-west through Survey No. 36 for a distance of 14 chains and meets a point four chains north from the north-east corner of Survey No. 27; then runs north-west through Survey No. 29 for a distance of 9 chains and meets the Katte in Survey No. 28; thence south-west through Survey No. 29 for a distance of 11 chains and meets the north-west corner of Survey No. 26; then runs along the west side of the same survey number to its south-west corner; thence south-west along the common boundary between Halamahishi and Mahashi and meets the south-west corner of S. No. 25 M. V. S.; then runs along the south side of the same survey number to its south-east corner; thence north for 16 chains along the east side of Survey No. 25 and then turns north-east through Survey No. 24 for a distance of 15 chains and meets the south-east corner of Survey No. 23 and Tunga river.

East.—Then the line runs south-west along the Tunga river and meets the north-east corner of Survey No. 33; thence along its north side to its north-west corner; then runs south-west through Survey No. 24 for a distance of 18 chains and meets the north-west corner of Katte in Survey No. 37; thence along the west side of the same Katte to its south-west corner; then runs south-west through Survey No. 24 for a distance of 12 chains and meets the north-west corner of Survey No. 11; thence south-west through Survey No. 24 for a distance of 17 chains and meets the south-west corner of Survey No. 15; then runs south-east through Survey No. 24 for a distance of 18 chains and meets the north-west corner of Survey No. 9; thence south-east through Survey No. 24 for a distance of 21 chains and meets the north-west corner of Survey No. 7; then along the west and south sides of the same survey number to its southern eastern corner; thence north

corner of Survey No. 3; then along its south side for 1 chain and then runs north-east for 21 chains through Survey No. 24 and meets the Tunga river; thence south-east and south-west along the Tunga river for a distance of 52 chains and meets a point 12 chains east from the north-east corner of Survey No. 4; then the line runs south-west for 12 chains through Survey No. 24 and meets the north-east corner of Survey No. 4; thence in the same direction for 33 chains through Survey No. 24 and meets the north-west corner of Survey No. 5; thence along the west side of Survey No. 5 to its south-west corner; then turns south-east through Survey No. 24 for a distance of 22 chains and meets the southern corner of Survey No. 5; thence south-east through Survey No. 24 for 19 chains and meets the Tunga river at a point 7 chains south-east from the south-west corner of Survey No. 4 of Mahashi village.

South.—Then the line runs south-west and north-west, again south-west along the left bank of Tunga river for a distance of 84 chains, crossing the branch of Tunga river and meets a point at the junction of Tunga river and its branch.

West.—Then the line runs north-west north-east and south-east along the branch of Tunga river for a distance of 77 chains and crosses the said branch and meets the common boundary of Dabbangaddi and Mahashi and then turns north-west through Survey No. 104 of Dabbangaddi for a distance of 19 chains and meets the south-east corner of Survey No. 111; then runs north-west along the east and north sides of Survey No. 111 and meets the northern corner of Survey No. 112; thence north-west through Survey No. 102 for a distance of three chains and meets the north-east corner of Katte in Survey No. 102; thence north-west through Survey No. 102 of Dabbangaddi and 33 of Halamahishi for a distance of 17 chains and meets the south-east corner of Katte in Survey No. 33; thence along its east side to its north-east corner; then runs north-west through Survey No. 33 for a distance of 10 chains and meets the southern corner of Survey No. 16 of Halamahishi; then runs on the south, east and north sides of the same survey number to its north-west corner; thence north through Survey No. 24 for a distance of 7 chains and meets the south-east corner of Survey No. 19; thence along its east side to its eastern corner; then runs north-east through Survey No. 24 for a distance of 13 chains and meets the southern corner of Survey No. 22; thence north-east along the east side of Survey Nos. 22 and 21 and meets the north-east corner of the last named survey number; then turns north-east through Survey No. 26 of Halamahishi for a distance of 22 chains and meets a point 1 chain east to the south-east corner of Survey No. 25, Katte; thence north-west through Survey No. 26 for 16 chains and meets the northern corner of Survey No. 24; then turns north-east through Survey No. 26 for a distance of 15 chains and meets the starting point.

Remarks.—Rights and privileges enjoyed by the villagers within the Block:—

(a) *Right of way.*—(1) Cart-track from Malur to Mahashi is open to men, cattle and carts all the year round; (2) foot-paths branching from cart-track No. 1 to Dabbangaddi; (3) from cart-track No. 1 to Halamahishi; (4) from Dabbangaddi to Mahashi and (5) from Mahashi to Holekoppa are open to men and cattle all the year round.

(b) *Right of Grazing.*—The raiyats of all the affected villages are entitled to graze their cattle in the Kharab lands included in the block, on payment of hul-banni.

(c) *Right to Forest Produce.*—All the Malnad raiyats' privileges to forest produce may be exercised by the raiyats of all the affected villages in accordance with Government Order No. G. 12,673-82—Ft. 185-24-7, dated 11th April 1929.

(d) The raiyats of Halamahishi, Mahashi, Dabbangaddi and Holekoppa villages may extract green and dry leaf for manure free from the Minor Forest adjoining the cultivation.

(e) Since unoccupied and occupied kans are clubbed and not defined either on the ground or on the maps, kan-holders may exercise all privileges attached to occupied kans in the portions included in the block, if under occupancy, till they are demarcated.

No. G. 474—Ft. 1-32-56, dated 20th—24th July 1933.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of Section 85 of the Mysore Forest Regulation (XI of 1900), that the land, the limits of which are described in the Schedule annexed hereto, shall be constituted a Minor Forest under the name of the Dodsulikere Minor Forest in the Closepet Taluk for the purposes of the rules for the management of Minor Forests issued with Government Notification No. G. 12673-82—Ft. 185-24-7, dated the 11th April 1929.

By Order,
R. RANGA RAO,
Chief Secretary to Government.

SCHEDULE.
